Judge Susan J. Dlott

ORDER

This matter is before the Court pursuant to the Order of General Reference in the United States District Court for the Southern District of Ohio Western Division to United States Magistrate Judge Stephanie K. Bowman. Pursuant to such reference, the Magistrate Judge reviewed the pleadings and filed with this Court on August 8, 2018 a Report and Recommendation (Doc. 15). Subsequently, the plaintiff filed objections to such Report and Recommendation (Doc. 16).

The Court has reviewed the comprehensive findings of the Magistrate Judge and considered de novo all of the filings in this matter. Upon consideration of the foregoing, the Court does determine that such Recommendation should be adopted.

The evidence exists to support the Administrative Law Judge's determination that JJB's impairment is "less than marked" in acquiring and using information and in attending and completing tasks.

Accordingly, the defendant's decision is AFFIRMED. This case is hereby TERMINATED from the docket of this Court.

IT IS SO ORDERED.
